Re: U.S., et al., v. Reilly Tar and Chemical Corporation
File No. Civ. 4-80-469

Dear Ed:

This letter is written in reply to your letter of May 9, 1985, inquiring as to the availability of deposition witnesses, particularly Drs. Albert, Bingham and Carnow. By letter dated May 14, 1985, David Hird addressed the availability of Drs. Albert and Bingham.

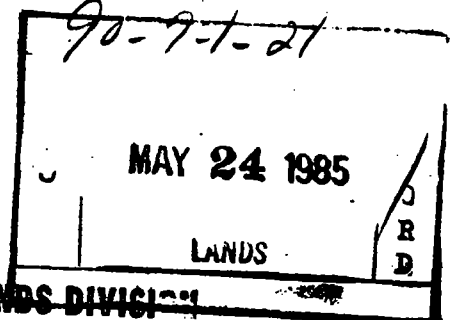

I have been informed today that all parties have agreed to stay the scheduling of further discovery in this case, including the depositions of the remaining witnesses. Accordingly, I will not attempt to reschedule the continuation of Dr. Carnow's deposition.

Very truly yours,

Dennis M. Coyne
Special Assistant
Attorney General
